

LIDGET GREEN PRIMARY SCHOOL - PRIVACY STATEMENT

At Lidget Green Primary School, we are committed to protecting and respecting the data we hold on our children and their families. Most of the data that we hold is information that we have collected from parents, that we are legally obliged to hold or that enables us to carry out activities that fulfil our duties or our legitimate interests as a school, for example, communicating with parents and sharing the work of our school.

Our full privacy notice, detailing the information we hold and how we manage it, is available on our website, www.lidgetgreen.net

There are some uses of data that are not covered by ‘legal obligation’ or our ‘legitimate interest’ and we need your consent to use data in this way.

We share your child’s name with some web-sites that offer services that enhance children’s educational experiences, such as Purple Mash, Classdojo and Seesaw. All these websites are GDPR compliant. Please tick below if you agree to this.

	✓
I am happy for my child to be registered with Classdojo	
I am happy for my child to be registered with Seesaw	
I am happy for my child to be registered with Purple Mash	

We also need to review the consent you gave about use of photographs when your child started at Lidget Green:

I consent to my child being photographed in school	✓
The school may use the photograph:	
to share or celebrate children’s work on Classdojo or Seesaw	
to be displayed in school to illustrate work or for medical purposes	
to appear on the school website	
to appear in the school newsletter	
to be used by recognised groups working in partnership with the school (e.g. Bradford Council, the T&A newspaper) on their website	
to be used by recognised groups working in partnership with the school (e.g. Bradford Council, the T&A newspaper) in their publications	

I consent to my child being videoed in school	✓
The school may use the video:	
to share or celebrate children’s work on Classdojo or Seesaw	
on the school website	
to be displayed in school to illustrate work or for medical purposes	
as a part of staff training (classroom videos)	

We will always seek specific permission for other uses of photographs and videos or if a child's name will be given alongside the photograph or used in the video (except for staff training)

Please note that you are able to withdraw this consent at any time.

The tick boxes above indicate my consent for my child's registration on websites and apps used by the school and for the use of my child's photograph and video image.

Signed
