## Arts Showcase

Dear parents and carers,

We had a fantastic open evening last night showcasing the children's work from Arts Week. The children produced some wonderful pieces of art including sketches, paintings, collage and clay work, we certainly have some very talented children and we are very proud of them all.

As you know, we work very hard to ensure the children achieve their very best in the core subjects of English and Maths, however we also recognise the importance of teaching the wider curriculum to our children and recognising their talents across all subjects. Art is such a wonderful subject, enjoyed by so many children and gives them the opportunity to express their imaginative and creative talents. I would like to express my thanks to all the parents who came along last night to our 'gallery' to enjoy the art display, we really do appreciate your support for the work we do in school.

Next Tuesday we are holding our English workshops for the parents of children in Year 6 and on the 3<sup>rd</sup> December, we are inviting parents of children in Year 4 to our maths workshops. We plan to run workshops for parents across the school in all year groups this year and will keep you informed of the proposed dates. We look forward to seeing you there.

Thank you for returning your parent questionnaires, we are collating the responses and I will send a letter out next week to share the analysis

Kind regards

## Attendance

We are extremely concerned by the number of requests we are still receiving for children to have leave from school during term time. The Government ruling is that Headteachers should **not** authorise leave in term time except in **the most exceptional circumstances** as this affects children's learning.

A number of children are leaving school during the school day for various appointments. This has a major impact on the children's learning. Please make medical appointments out of school hours or during the school holidays wherever possible. Medical evidence **MUST** be provided for any appointments to be authorised.

## Parking Issues

A number of parents are parking on the double yellow lines opposite the school and also stopping on the zig-zag lines outside the school gates. Both of these actions pose a serious danger to our families and we are very concerned that a child could be knocked down if we do not address the situation.

As a school we request that parents and carers:

- do not park on the yellow lines opposite school.
- do not stop on the zig-zag lines to drop children off or to collect children.
