## Proud to be from Bradford

This week we launched our whole school topic 'Proud to be from Bradford'. The children in Year 3 visited Saltaire to learn about Titus Salt and David Hockney, to find out more read Amina's report below

***'On Monday our class went on a fantastic trip to Saltaire. We went to a church and learned about Titus Salt, his workers and family. The lady who was in the church led us to the streets in Saltaire that were named after his children and Queen Victoria. We were all given character names and when we were talking together we realised that some of us were married to each other! Then we went to the mill which has been turned into a museum because Saltaire doesn't need a mill anymore. We looked at David Hockney's art which really impressed all the children in 3B!'***

Throughout the project we will continue to share reports from the children on the various visits and experiences they have taken part in.

## Keeping in Touch

You can contact class teachers or Mrs Tomlinson or the School Office via ClassDojo. We are using ClassDojo more and more to send out reminders, so

## Parking Issues

A number of parents are parking on the double yellow lines opposite the school and also stopping on the zig-zag lines outside the school gates. Both of these actions pose a serious danger to our families and we are very concerned that a child could be knocked down if we do not address the situation.

As a school we request that parents and carers:

- do not park on the yellow lines opposite school.
- do not stop on the zig-zag lines to drop children off or to collect children.
- park a little further away from the school and walk the rest of the way.

## Attendance

Last week's attendance (week ending 10th January) was **95.57%** The weekly attendance award is shared between 3C and 5TA with both classes having **100% attendance**. Well done to both classes!

We are extremely concerned by the number of requests we are still receiving for children to have leave from school during term time. The Government ruling is that Headteachers should **not** authorise leave in term time except in **the most exceptional circumstances** as this affects children's learning.

A number of children are leaving school during the school day for various appointments. This has a major impact on the children's learning. Please make medical appointments out of school hours or during the school holidays wherever possible. Medical evidence **MUST** be provided for any appointments to be authorised.
