Our wonderful City!

Year 2 visited the city centre to learn about the human geography of Bradford. The visit helped the children to identify and understand the importance of key buildings and landmarks, to find out more read Hafsa's report below

'My trip to Bradford City Centre

I saw a sculpture of Queen Victoria. She had a beautiful crown and a little statue in her hand. We saw the shopping centre called the Broadway. We went to the subway and it has lots of beautiful paintings including a mermaid, a selfish giant, houses and a Bradford football badge. We also went to the mirror pool, City Hall and the Magistrates Court. We visited a theatre called the Alhambra. We even took some photos with the police horses!

Keeping in Touch

You can contact class teachers or Mrs Tomlinson or the School Office via ClassDojo. We are using ClassDojo more and more to send out reminders, so

Parking Issues

A number of parents are parking on the double yellow lines opposite the school and also stopping on the zig-zag lines outside the school gates. Both of these actions pose a serious danger to our families and we are very concerned that a child could be knocked down if we do not address the situation.

As a school we request that parents and carers:

- do not park on the yellow lines opposite school.
- do not stop on the zig-zag lines to drop children off or to collect children.
- park a little further away from the school and walk the rest of the way.

Attendance

Last week's attendance (week ending 17th January) was **95.55%** The weekly attendance award is shared between 4/5N and 5TA with both classes having **98.57% attendance**. Well done to both classes!

We are extremely concerned by the number of requests we are still receiving for children to have leave from school during term time. The Government ruling is that Headteachers should **not** authorise leave in term time except in **the most exceptional circumstances** as this affects children's learning.

A number of children are leaving school during the school day for various appointments. This has a major impact on the children's learning. Please make medical appointments out of school hours or during the school holidays wherever possible. Medical evidence **MUST** be provided for any appointments to be authorised.
